This Minor is not awarded with the Primary or Second Major in Life Sciences.

2. Admissions

From AY2017/2018 onwards, this programme will be an open Minor. No application is required. Students may declare Minor in Life Sciences via the Centralised Online Registration System (CORS) at the start of every semester before the sixth semester of study. During every CORS Exercise, please visit the Life Sciences Undergraduate Programme website for the procedure to register for LSM modules.
