
LSM4263 Field Studies in Biodiversity

Registration is now open for LSM4263 - Field Studies in Biodiversity!

This 4MC-module is conducted in Special Term Part 2, AY2017/2018. The module duration is from **25 June 2018 (Monday), to 27 July 2018 (Friday)**. A more detailed timetable will be available later. More information about the module here: <http://tinyurl.com/lsm4263-nus>.

To qualify, students should:

- Be EITHER a LSM Major with specialisation in Environmental Biology (EVB), OR from the Bachelor of Environmental Studies (BES) programme;
- Be continuing into their Honours year in AY2018/2019;
- Possess a CAP of 3.2 or above;
- Be willing to cover part of the module cost (amounting to less than S\$410).

The field trip to Pulau Tioman is scheduled to be from **12 July Thu, to 18 July 2018 Wed**. Local accommodation will be at Paya Beach Resort (<https://www.payabeach.com>).

Local student enrollment is limited to a maximum of 30 students, and priority is given to students who have passed LSM2251 Ecology and Environment, or other relevant experience.

To register, please complete the form at <https://tinyurl.com/lsm4263-2018>.

Registration ends on **6 Jun 2018 (Wednesday), 6:00 pm**.

Accepted student applicants will be notified by email.
