

LSM4199 – Life Sciences Honours Project Poster Presentation
AY 2009/2010

For AY09/10 S1 Cohort

(Started project on AY09/10 Semester 1 and ending project by AY09/10 Semester 2)

General Information

Poster presentation is one of the two Honours Project examination components (the other being Thesis Submission). You will be presenting your project during the mass poster presentation event.

The mass poster presentation will be held at **Multi-Purpose Sports Hall 1 (MPSH 1)** on **Thu 1st April 2010**.

More details on the event (i.e. timing and poster number) will be released about a month before the day.

Organization of Poster

The actual size of the poster should be exactly 36 (width) by 40 (length) inches. The background of the printed poster should be white.

The poster should include the following:

- a) Title of Project
- b) Name of Honours Student
- c) Name of Main Supervisor (and Co-Supervisor, if any)
- d) Passport-size photo of Honours Student on top right-hand corner of poster
- e) There is no fixed format for organizing the poster content. It is suggested to include the following: Introduction, Objective(s), Materials & Methods, Results, Discussion and Conclusion.

The poster will be assessed based on:

- a) Organization of the poster (e.g. logical sequence, neatness, clarity)
- b) Oral presentation skills (e.g. clarity of thought and experimental approaches, ability to explain the project objectives and results, problem solving ability)
- c) Depth of research, originality and critical ability
