

LSM4199 – Life Sciences Honours Thesis Submission
AY 2009/2010

For AY09/10 S1 Cohort
(Started project on AY09/10 Semester 1 and ending project by AY09/10 Semester 2)

1. General Information

Thesis submission is one of the two Honours Project examination components (the other being Project Presentation), which is after the project presentation.

The date of LSM4199 Honours Thesis Submission for AY09/10 S1 cohort is:

Thesis Submission: 8th Apr 2010 (Thu), by 3 p.m.

The Honours thesis may be submitted before the above date. But it should be after the project presentation.

2. Requirements of a complete submission

A complete submission consists of:

- **2 hardcopies of the thesis** (ring-bound; both single-sided and double-sided printings are acceptable); and
- **A softcopy (in PDF format) of the thesis labeled with your matric number** (either in a CD or ask for the assistance of the admin to make a direct copy)

A further copy of your thesis should be given to your main supervisor directly (please check with him/her the format he/she wishes to have).

Late submission will be penalized; a 1-mark deduction for submission after 3pm, and 2-mark deduction per day after the date due, inclusive of non-working days.

3. Venue for thesis submission

Please make the thesis submission at:

Department of Biological Sciences Administrative Office, Block S3 Level 5

4. Thesis Format and Writing Guide

Please find the Honours Thesis Format and Writing Guide at
